

# Instrument Choice

Please choose your instrument by putting #1 by your first choice, #2 by your second, and #3 by your third choice. **No saxophones for grade 6** students unless you have spoken to me first. Grade 6's wishing to play saxophone must play clarinet for the first few months before taking on an alto sax.

Tuba, Baritone, and Tenor Sax are more expensive instruments. Unless you own one of these instruments or have access to one, it is recommended that you start with one of the instruments on the above list. Students with previous experience on tenor sax will be given priority.

The school has a very limited supply of instruments. If you are unable to afford the monthly rental costs, please let me know. The instruments provided through Tapestry music are excellent and are much better than the instruments here at the school.
